
IMPLANT XPERIENCE

BY DR. LUCAS-TAULÉ

Powered by Global Dental Collective

4TH AND 5TH JULY, 2025

STUDIO 9294, LONDON

Join us for a transformative two-day intensive course in London, designed specifically for Implant Surgeons seeking to enhance their expertise in the aesthetic zone. This immersive program offers a balanced blend of theory and hands-on practice, focusing on both the surgical and prosthetic aspects of implant placement with special emphasis on soft tissue management.

Over the course of two days, participants will delve into the complete implant treatment process—from 3D virtual planning and digital case simulation to the execution of clinical procedures. The programme will cover the creation of surgical stents, decision-making between immediate and delayed implant placements, and comprehensive strategies for managing both hard and soft tissues. Topics include designing surgical stents, deciding between immediate and delayed implant placement, managing hard and soft tissues, understanding post-extraction biology, guided implant placement, tissue regeneration, selecting the right prosthetic abutments, and refining emergence profiles for immediate loading in the aesthetic area.

COURSE FEATURES

HANDS-ON **SESSION 1**

Use open-source software for planning a surgical case that covers virtual tooth extraction, digital waxing, and designing a prosthetically guided implant and surgical stent.

HANDS-ON **SESSION 2**

Focus on soft tissue management through practical exercises such as post-extraction implant placement, bone and soft tissue reconstruction, connective tissue graft harvesting, de-epithelization, and graft placement in the recipient area.

HANDS-ON **SESSION 3**

Enhance your prosthetic skills with immediate loading techniques in the aesthetic area, focusing on creating a natural-looking emergence profile.

Whether you are just beginning your journey in implantology or are looking to boost your confidence in treating anterior cases, this course will provide you with a clear, actionable roadmap and the latest best practices to manage the aesthetic zone effectively while minimizing clinical risks.

Embrace this opportunity to elevate your practice with cutting-edge techniques and hands-on experience that will empower you to deliver exceptional, predictable outcomes in implant dentistry.

PROGRAM 12 HOURS CPD

DAY 1

9:00 – 9:30 AM
Welcome
Kick off the day with introductions and an overview of the course objectives.

9:30 – 11:00 AM
Masterclass 1: Surgical Implant placement in the Aesthetic Zone: Key Principles and Predictable Protocols

11:00 – 11:30 AM - Coffee Break

11:30 – 1:00 PM
Masterclass 2: Surgical Implant placement in the

Aesthetic Zone: Key Principles and Predictable Protocols.

1:00 – 2:30 PM
Lunch
Take a break and enjoy a meal while discussing cases and new insights with colleagues.

2:30 – 5:00 PM
Hands-on 1: Mastering Implant Planning & Guide Fabrication

**Please bring a Windows laptop with the latest version of BlueskyBio downloaded.

DAY 2

9:30 – 11:00 AM:
Current Trends in Implant Dentistry
New protocols in full arch rehabilitation, bone augmentation, and tooth autotransplantation.

11:00 – 11:30 AM: Coffee Break

11:30 – 1:00 PM:
Hands-On Session: Post-Extraction Implant Placement and Soft-Hard Tissue Management

1:00 – 2:30 PM: Lunch

2:30 – 5:00 PM:
Hands-On Session: Immediate Loading in the Aesthetic Area
Develop skills for immediate loading and achieving natural-looking results.

5:00-9:00 PM: Drinks and Networking

PAYMENT DETAILS

STANDARD FEE
£1,799

EARLY REGISTRATION FEE
Before 1st April 2025
£1,599

INSTRUCTIONS

Please complete your payment via bank transfer to the following account:

Account Name: ELT DENT LTD
Sort Code: 23-08-01
Account Number: 80493314
IBAN: GB04 TRWI 2308 0180 4933 14

When making your transfer, please include the following reference: *Full Name of Participant* + ELT July Course 2025

TERMS

Registration Confirmation: Your registration is confirmed only upon receipt of full payment.

Deadline: Payments must be received by the stated deadlines to secure your spot at the applicable rate.

Early Registration: The discounted rate of £1,599 is available only for registrations completed before 1st April 2025.

Cancellation Policy:
Cancellations made 30 days or more before the course start date will receive a 50% refund of the course fee.

Cancellations made less than 30 days prior to the course will not be eligible for any refund.

Inquiries: For any questions, please contact: coordinator@drlucastaule.com.

ABOUT DR. LUCAS-TAULÉ

Dr. Lucas-Taulé is an **internationally recognized implant surgeon, researcher, and educator,** with a focus on **implant dentistry** and **tooth autotransplantation**. Holding a **PhD** with the highest distinction **(Cum Laude)** and an Assistant Lecturer position at UIC Barcelona University, he actively mentors the next generation of clinicians.

As a worldwide renowned speaker, Dr. Lucas-Taulé **has lectured at prestigious meetings and universities across the globe**, such as the British Academy of Aesthetic Dentistry (BAAD), the European Association for Osseointegration (EAO) or the Italian Academy of Osseointegration (IAO). His research, **published in high-impact dental journals,** continues to shape evidence-based implantology.

WE LOOK FORWARD TO WELCOMING YOU TO IMPLANT XPERIENCE BY DR LUCAS-TAULÉ!
